TRIBUTE TO ANTHONY AT CLAVEDV MICEIM

# Education centre named for victim

#### EXCLUSIVE

By GREG O'KEEFFE

A SECTION of Liverpool's new International Slavery Museum to to be named after murdered black teenager Arithony Walker.

The historic horning facility based at the global attraction will be called the Anthony Walker Education Genera in necessary of the Higton A-Level student who was killed in a tractacation treat in home to July 2005.

It is kept it will provide a space for specially created wheretim sessions about the legacy of racial inter-races left behind by the transitizatic slow train. The course will also house witho feelings

The course will also feature villes feelings shoul the interfect which took place need McGoldrick Park, and was narrow out by strop Minhael Berton and his nessin Paul Tayor.

Anthony's mother, Gos Walker, add; "The grateful that the museum has decided to seem one of its learning contras after Azthony, He would be increditry proud.

"I have been budy enough to have a proview of the executes and believe it is an increditing which lead resource. It's counting that we all learn from the post to reade to inside better and more harmonical future.

"It is the goal behind the cheritable foundation established in Arthony's name and the massive most."

The International Rievery Museum will open in Liverpool on August 21. Slovery Remargheuro Day - a Gay that communicates an agreeing of evalued Africana on the lehead of B. Bowlesse resisters Whit and the

'Do no let my son's death be in vain', Gee Walker, 23 August 2007, message on chalkboard at International Slavery Museum
